<https://motionarray.com/stock-music/corporate-alternative-23781> )

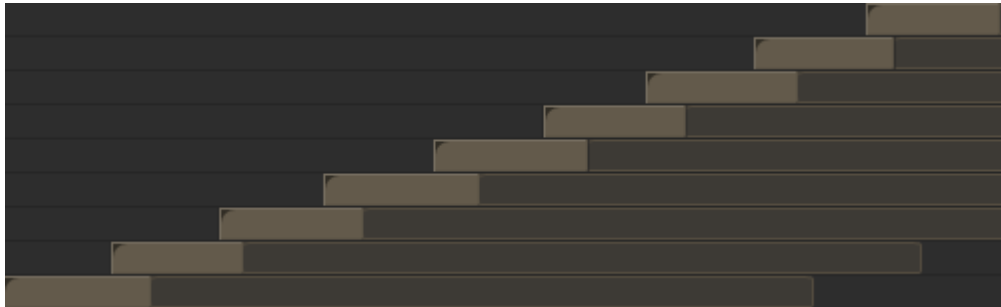

# How to edit?

1. Open project.
2. Edit media holders in folder «Media».
  - a) Open composition.
  - b) Put your media (image, video or logo) in.

Note: you can also put your text.

3. Put comps «Transition 1», «Transition 2» etc. on timeline.

Note: put comps one above the other (picture) for transition.

*Good luck with your projects!*
